#### PART 2

#### PROVISIONS CONCERNING APPROPRIATIONS

#### GENERAL SECTIONS

Total state spending; payments to local units of government; notice of approximate shortfall.

Sec. 201. (1) Pursuant to section 30 of article IX of the state constitution of 1963, total state spending from state sources for fiscal year 1998-99 is estimated at \$72,481,800.00 in this act and state spending from state sources paid to local units of government for fiscal year 1998-99 is estimated at \$1,713,100.00. The itemized statement below identifies appropriations from which spending to units of local government will occur:

#### DEPARTMENT OF AGRICULTURE

Energy conservation program	\$	313,100
Local soil conservation districts		1,400,000
TOTAI	S	1 713 100

(2) If it appears to the principal executive officer of a department or branch that state spending to local units of government will be less than the amount that was projected to be expended under subsection (1), the principal executive officer shall immediately give notice of the approximate shortfall to the state budget director, the house and senate appropriations committees, and the house and senate fiscal agencies.

Appropriations and expenditures subject to §§18.1101 to 18.1594.

Sec. 202. The appropriations made and the expenditures authorized under this act and the departments, agencies, commissions, boards, offices, and programs for which an appropriation is made under this act are subject to the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594.

Contingency funds; availability for expenditure.

Sec. 203. (1) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$4,000,000.00 for federal contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act pursuant to section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

(2) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$6,000,000.00 for state restricted contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act pursuant to section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

- (3) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$100,000.00 for local contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act pursuant to section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.
- (4) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$100,000.00 for private contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act pursuant to section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

Hiring freeze; exceptions.

- Sec. 204. (1) Beginning October 1, a hiring freeze is imposed on the state classified civil service. State departments and agencies are prohibited from hiring any new full-time state classified civil service employees and prohibited from filling any vacant state classified civil service positions. This hiring freeze does not apply to internal transfers of classified employees from 1 position to another within a department or to positions that are funded with 80% or more federal or restricted funds.
- (2) The state budget director shall grant exceptions to this hiring freeze when the state budget director believes that the hiring freeze will result in rendering a state department or agency unable to deliver basic services. The state budget director shall report by the fifteenth of each month to the chairpersons of the senate and house of representatives standing committees on appropriations the number of exceptions to the hiring freeze approved during the previous month and the reasons to justify the exception.

Billing departments and/or agencies by department of civil service.

Sec. 205. The department of civil service shall bill departments and/or agencies at the end of the first fiscal quarter for the 1% charges authorized by section 5 of article XI of the state constitution of 1963. Payments shall be made for the total amount of the billing by the end of the second fiscal quarter.

Changing computer software and hardware to perform in year 2000; progress billings.

- Sec. 206. (1) The department shall submit to the department of management and budget, the senate and house of representatives standing committees on appropriations, the senate and house fiscal agencies, and the senate and house of representatives standing committees having jurisdiction over technology issues quarterly reports on the department's efforts to change the department's computer software and hardware as necessary to perform properly in the year 2000 and beyond. These reports shall identify actual progress in comparison to the department's approved work plan for these efforts.
- (2) The department may present progress billings to the department of management and budget for the costs incurred in changing computer software and hardware as necessary to perform properly in the year 2000 and beyond. At the time progress billings are presented for reimbursement, the department shall identify and forward as appropriate the funding sources that should support the work performed.

The indemnification shall be paid pursuant to subsection (1).

Request for transfer or supplemental appropriation; information to be provided.

Sec. 211. When the department applies to the department of management and budget with a request for a transfer of appropriations or for a supplemental appropriation, the department shall provide the senate and house fiscal agencies with the same information that the department provides the department of management and budget relative to the request for transfer or supplemental.

Purchase of foreign goods or services.

Sec. 212. Money appropriated in part 1 shall not be used for the purchase of foreign goods or services when competitively priced and of comparable quality American goods or services are available.

Businesses in deprived and depressed communities; contracts.

Sec. 213. (1) The director shall take all reasonable steps to ensure businesses in deprived and depressed communities compete for and perform contracts to provide services or supplies or both for the department.

(2) The director shall strongly encourage firms with which the department contracts to subcontract with certified businesses in depressed and deprived communities for services or supplies or both.

Notice of grants.

Sec. 215. Of the funds appropriated in part 1 that are other than line-item grants, the department shall not provide grants to local government agencies, institutions of higher education, or nonprofit organizations unless the department provides notice of the grant to the house and senate appropriations subcommittees on agriculture at least 10 days before the grant is issued. The grants shall be used to support research or other related activities for the purpose of enhancing the agricultural industries in this state.

Nonfair or nonhorse racing grants or projects; funding from simulcast revenues.

Sec. 216. The legislature will not fund nonfair or nonhorse racing grants or projects from revenues from simulcasting in fiscal year 1999-2000.

Personal service contracts; monthly report.

Sec. 217. (1) The department of management and budget and each principal executive department and agency shall provide to the senate and house of representatives standing committees on appropriations and the senate and house fiscal agencies a monthly report on all personal service contracts awarded without competitive bidding, pricing, or rate setting. The notification shall include all of the following:

- (a) The total dollar amount of the contract.
- (b) The duration of the contract.
- (c) The name of the vendor.
- (d) The type of service to be provided.
- (2) For personal service contracts of \$100,000.00 or more, the department of management and budget shall provide a monthly report on all of the following:
  - (a) The total dollar amount of the contract.
  - (b) The duration of the contract.
  - (c) The name of the vendor.
  - (d) The type of service to be provided.

- (3) The department of management and budget shall provide a monthly listing of all bid requests or requests for proposal that were issued.
- (4) Each principal executive department and agency shall provide a monthly summary listing of information that identifies any authorizations for personal service contracts that are provided to the department of civil service pursuant to delegated authority granted to each principal executive department and agency related to personal service contracts.

Personal services contract with temporary contractor hiring retired state employee; limitation.

Sec. 218. If a department enters into a personal services contract with any temporary service agency or similar contractor that hires or subcontracts with a person who retired from employment in the department under the early retirement program under section 19f of the state employees' retirement act, 1943 PA 240, MCL 38.19f, the retired state employee shall be limited to 500 hours for professional, technical, or clerical services and 250 hours for management services. This limitation does not apply to computer technology services. This provision only applies during a 24-month period after the date of retirement. This section applies to each principal executive department and agency.

Privatization; project plan.

Sec. 219. Sixty days before beginning any effort to privatize, the department shall submit a complete project plan to the appropriate house and senate appropriations subcommittees and the house and senate fiscal agencies. The plan shall include the criteria under which the privatization initiative will be evaluated. The evaluation shall be completed and submitted to the appropriate house and senate appropriations subcommittees and the house and senate fiscal agencies within 30 months.

Capped federal funds, special revenue funds, and healthy Michigan fund; report on amounts and sources.

Sec. 220. Within 10 working days after formal presentation of the executive budget, the state budget director shall report to the members of the senate and house appropriations committees, and the senate and house fiscal agencies, on the amounts and sources of all capped federal funds, special revenue funds as defined in the state of Michigan's comprehensive annual financial report, and the healthy Michigan fund, and an accounting of the state departments or agencies in which the executive budget proposes to spend the funds.

Funded programs; report explaining activities and personnel.

Sec. 221. By December 1, 1998, the department shall provide the house and senate appropriations subcommittees on agriculture and the house and senate fiscal agencies a report that outlines programs funded under this act. The report shall provide explanation of the activities and personnel funded with each line item, consistent with the format of this act.

#### EXECUTIVE

Per diem payments to members of boards, committees, and commissions.

Sec. 301. The appropriations in section 102 may be used for per diem payments to members of boards, committees, and commissions for a full day's board, committee, or

commission work at which a quorum is present; for attending a hearing as authorized by the respective board, committee, or commission; or for performing official business as authorized by the respective board, committee, or commission. The per diem payments shall be at a rate as follows:

- (a) Commission of agriculture ...... \$ 75.00 per day
- (b) Upper Peninsula state fair board ...... \$ 50.00 per day
- (c) Agricultural marketing and bargaining board...... \$ 35.00 per day

Use of revenue to cover certain expenses.

Sec. 302. The department may receive and expend revenue and use that revenue to cover necessary expenses related to publications, audit and licensing functions, livestock sales, certification of nursery stock, bean inspection services, and laboratory analyses as specified in the following:

- (a) Management services publications.
- (b) Management services audit and licensing functions.
- (c) Upper Peninsula state fair livestock sales.
- (d) Pesticide and plant pest management propagation and certification of virus free foundation stock.
  - (e) Pesticide and plant pest management bean inspection and grading services.
- (f) Laboratory support testing for testing horses in draft horse pulling contests at county fairs when local jurisdictions request state assistance.
- (g) Laboratory support analyses to determine foreign substances in horses engaged in racing or pulling contests at tracks.
- (h) Laboratory support analysis of food, livestock, and agricultural products for disease, foreign products for disease, toxic materials, foreign substances, and quality standards.
  - (i) Laboratory support analysis of liming samples.
  - (j) Laboratory support analysis of feed and fertilizer samples.
  - (k) Laboratory support test samples for other agencies and organizations.
- ( $\hbar$ ) Fruit and vegetable inspection at shipping and termination points and processing plants.

Rotational crop surveys.

Sec. 303. Of the funds appropriated in section 102 for statistical reporting service, \$120,000.00 shall be used for ongoing rotational crop surveys of fruit, vegetables, and nursery stock, including Christmas trees and ornamental plants. The survey shall begin with fruit in the first year, vegetables in the second year, and nursery stock in the third year. The rotational cycle of the survey shall continue in the fourth and subsequent years. The survey shall include existing plantings/acreage, new plantings/acreage, production, and number of growers.

Allocation to Michigan biotechnology institute; use.

Sec. 304. The appropriation in section 102 for an environmental technology research grant is allocated to the Michigan biotechnology institute, pending receipt of matching federal funds, for the development and implementation of innovative technologies to be used for environmentally safe products, biodegradable chemicals, environmental cleanup, and waste stream minimization projects in Michigan.

Research and/or extension programs; allocation; use; priorities; carrying forward unexpended balance; work project; report regarding project GREEEN; charging indirect costs.

Sec. 305. (1) From the appropriation in section 102 for project GREEEN, \$4,000,000.00 is allocated for a grant to an institution of higher education for the purpose of research and/or extension programs designed to address critical regulatory, food safety, economic, and environmental problems faced by Michigan's plant-based agriculture, forestry, and processing industries.

- (2) A consortium of interested parties consisting of, but not limited to, representatives from the department, institutions of higher education, and agricultural commodity groups shall develop the research and/or extension program priorities described in subsection (1).
- (3) Any unexpended balance of the money allocated in subsection (1) is considered a work project and shall be carried forward into the succeeding fiscal year.
- (4) Not later than November 1, 1999, the grantee under subsection (1) shall submit to the house and senate appropriations subcommittees on agriculture and to the house and senate fiscal agencies a report for the immediately preceding fiscal year regarding project GREEN projects. The report shall include, but is not limited to, the dollar amount of each project and a review of each project's performance and accomplishments.
- (5) Indirect costs shall not be charged by an administering agency against a grant funded under the allocation in subsection (1).

#### ADMINISTRATIVE SERVICES

Charge of indirect costs against future farmers of America grant.

Sec. 401. Indirect costs may not be charged against the future farmers of America grant in section 103 by any administering agency.

Upper Peninsula state fair; funding.

Sec. 402. It is the intent of the legislature in appropriating funds for the Upper Peninsula state fair that the Upper Peninsula state fair shall continue to strive toward self-sufficiency.

Publication of rules relative to prizes, awards, and deadlines; complaint of aggrieved exhibitor; investigation.

Sec. 403. A county fair, district fair, 4-H fair, or state fair receiving funds in section 103 to be used for prizes or awards, in whole or in part, as a condition precedent to the receiving of the funds for those purposes, shall publish the rules relative to the prizes, awards, and deadlines for entries eligible for the funds in their official premium books or lists relative to the prizes or awards. An aggrieved exhibitor may make a written complaint to the fair within 10 days after the fair ends. If the fair has not satisfactorily settled the grievance within 45 days after it is submitted to the fair, the aggrieved person may file the complaint with the department and the department shall investigate the complaint and make a finding of fact regarding the complaint and take appropriate action regarding the complaint.

Overnight purse supplements.

Sec. 404. Of the amount appropriated in section 103 for purses and supplements - fairs/licensed tracks, a sufficient amount is appropriated to provide for overnight purse supplements pursuant to the horse racing law of 1995, 1995 PA 279, MCL 431.301 to 431.336.
